

Japan-Korea-China NADOs Staff Exchange Program

December 16 -19, 2024

As a part of the collaboration MOU between Japan, Korea and China Anti-Doping Organization, three NADO staff exchange program was held in Tokyo, Japan from 16th to 19th of December 2024.

The goal of this program is to foster the exchange of knowledge, experiences, and challenges among staff members within the same field, thereby enhancing the capacity of each organization's personnel. Additionally, building mutual understanding will improve daily communication, allowing for more effective exchanges of inquiries and solutions.

This time, Japan hosted for staff in the education field, facilitating discussions on practical topics such as the Educator system, the Education Plan, Athlete Support Personnel Education, and so on.

The next exchange meeting is scheduled to be held in China, focusing on staff in the Testing field.
